Colombia NHS 2007

1221

Who paid or will pay expenses for the treatment you received for your latest accident?

Yes 10

No 20

EPS / ARS or other entity social security (public) 10 20

Prepaid medical plan or private insurance (private) 10 20

SOAT (public) 10 20

Ministry of health or municipality (public) 10 20

You or someone in their household with its own resources 10 20

Another person linked to the accident 10 20

Another person 10 20

1222 What was the main reason you did not seek attention for injuries suffered in the latest accident?

Treatment/healthcare took to long 10

Neglect 20

The problem resolved itself or has felt well 30

Sought care but was not seen (i.e. ignored by healthcare providers) 40

The consultation is very expensive or had no money 50

Fear, nervousness or embarrassment 60

Schedules were not convenient or had no time 70

Poor attention 80

Too much paperwork in EPS / ARS / IPS 90

Do not trust the doctors or caregivers or do not think they can help 100

Did not get appointment or the date given was a long time way from now 110

I was not covered or authorized to seek attention 120

I do not like to go 130

I did not know I was entitled to go 140

Did not know where to seek care 150

Did not have a place to access care 160

No need to consult 170

Site care is too distant 180

1223 What is the main reason why you were not seen?

Healthcare providers did not attend accidents 10

Healthcare facility did not cover the services patient needed 20

Was sent to another location 30

I could not pay 40

There was no one there 50

Care was not authorized 60

They said that it was not serious 70

Did not have ability and/or equipment to treat 80

No apparent payment per day 90

I did not provide the documents required by the institution 100

They were not providing care 110

Do not know 120
